May 6, 2024 @ 6:30 PM

Present: Mr. Hockenberry, Mr. Oney, Mr. O'Connell, Mrs. Fuller, Mr. Rhoades, Mr. Duryea, Mr. Addy

Public Comment: No Public Comment

Public Hearing: No Public Hearing

Approval of the Minutes: None

Executive Session: None

Mr. Duryea noted bagged leaves, and brush would continue to be picked up every Monday through fall. He also stated that the guys have started cleaning the underpass. Residents have been notified via Nixle.

Committee discussed staffing issues, filling the mechanic position from within and agreeing to fill the open laborer's position. They also discussed a vacancy within the water department.

Mr. Addy explained that the fountain repair at Orange Square Park is underway and asked the committee for suggestions for the stage. The committee discussed potential size, power/electricity & overall look.

The DPW Directors, also updated the committee on the following: a major sewer line replacement at water's edge, dam removal, bathhouse improvement project and flags for heroes.

Mr. Rhoades inquired about the 24" water main that runs down Reservoir Ave and the safety plan if it fails.

The DPW Director stated he would set up a meeting with the OEM Director and Fire Department to discuss further.

The committee asked if a catch basin on Orange Street could be cleaned out and a garbage can be placed on Pike St near Breathless.
