Public Hearing: None

Public Comment:

Old Business: The bids for Bon Secours Community Hospital sidewalks. Once they are completed Bon Secours has agreed to use the same Black top company that the city has used to replace anything that needs to be done concerning Blacktop.

The new stage that is being built at Veterans Park will have Accessible ADA ramps on both sides of the stage.

Snow removal: The property owner is responsible for removing the snow and all side corners of the sidewalk if on

the end of the street corner. The sidewalks have to be ADA Compliant for wheel chair, walkers and any person to walk.

The Bathrooms at West End Beach will be redone and ADA Compliant.

The lawsuit with an individual and the city has been resolved with the city only.

New Business: Discussion of 2025 City projects
