New Business:

2025 Black toping and projects will be discussed at the next meeting.

Old Business:

The bids for Bon Secours Community Hospital sidewalks. Once they are completed Bon Secours has agreed to use the same Black top company that the city has used to replace anything that needs to be done concerning Blacktop.

The new stage that is being built at Veterans Park will have Accessible ADA ramps on both sides of the stage.

Snow removal: The property owner is responsible for removing the snow and all side corners of the sidewalk if on the end of the street corner. The sidewalks have to be ADA Compliant for wheel chair, walkers and any person to walk.

The Bathrooms at West End Beach will be redone and ADA Compliant.

The lawsuit with an induvial and the city has been resolved with the city only.

Concerns:

The sidewalk by the Hotel has been closed for over a year due to construction. Steve will look into this matter and contact the Hotel's owner.

The meeting adjourned at 5:54pm
